APPLAUSE

for CJC's Unsung Heroes

"One who is engaged with the needs of the community is likened to one who engages in the words of Torah-both are meritorious and bring blessing."

--Jerusalem Talmud

David Zinner has made it his life passion to enrich and enhance Jewish communities all over the United States. Here at home, there are very few positions in the congregation David has not held at one time or another. Most recently his love of Simchat Torah, Sukkot, the choir and helping those who are recently bereaved is renowned. Although, this list is not one that we often see lined up together, it is David's understanding of death and dying that allows him to enhance our lives with joy, song and laughter.

Karen Russell's commitment to CJC/S shines through her leadership of the membership committee. Her creativity, determination and energy astounds us all. Karen learns, listens and then applies to our community what she has learned, allowing us all to be the better for it.
