APPLAUSE

for CJC's Unsung Heroes

"One who is engaged with the needs of the community is likened to one who engages in the words of Torah-both are meritorious and bring blessing."

--Jerusalem Talmud

Whether it's volunteering to cover the office phones or serving on committees, **Susan Cohen** does it all! As an active member of the Adult Ed Committee, her input of thought provoking, interesting topics help shape CJC's offerings. And of course her knowledge and interest in learning shows in her class attendance. Her work with Intergenerational programming, Chevra Kadisha, High Holy Days and serving on the Religious Practices committee are just a few of the ways she has immersed herself in the congregation since the 1970s.

Susan's participation is rivaled by her husband, **Dan Cohen**. Dan was instrumental in designing CJC's Tikkun Olam Policy and is a co-founder of the Green Team with Bonnie Sorak. Through his efforts, Dan has worked on CJC and OMI committees handling Tree Planting, wind power, solar panels, greening events and Tu B'Shevat programming at CJCS.

Both Dan and Susan are previous Board members and are active in the Chavurah -- Susan leading services and Dan providing inspirational Droshe. Susan has taken it upon herself to create a beautiful flower arrangement in the women's bathroom at OMI. Together, Susan and Dan created the beautiful wall hanging CJC uses in Room 400 for Friday Night services.

Thank you, Susan and Dan for enriching our community in so many ways.
