APPLAUSE

for CJC's Unsung Heroes

The name of the program has changed, but the intent has not. **"Rebuilding Together"** has been known as *Habitat for Humanity* and *Sukkot in April*.

CJC has participated in this program for many, many years, and without the congregational leadership, it simply would not happen.

Glenn Unger has taken on the massive task of coordinating the **Jim Walsh Rebuilding Team** of volunteers, supplies, timing, and organization. He took on the mantle from Roz Zinner, Jim Walsh, and Hans Plugge. Thanks, Glenn, for your work and gift of time and energy. Helping someone feel safe in his or her home is a *mitzvah* that cannot be repaid. Many thanks to these unsung heroes for their dedication to *Tikkun Olam* and really making our world a better place.
