APPLAUSE

for CJC's Unsung Heroes

"One who is engaged with the needs of the community is likened to one who engages in the words of Torah-both are meritorious and bring blessing."

--Jerusalem Talmud

There is not a facet of CJC's life that **Del Stanfield** has missed. From board member to committee member (cultural arts, green team, film series, to name a few) she is a staunch choir member and co-chair of CJC's adult education committee. She is on the set-up committee for Friday night services and has played an integral role in supporting CJC initiatives. Del has been at the heart of the congregation from the inception of her membership. She is a wonderful resource, hard worker, and true friend. Thanks, Del!

Steve Zurier has been making music for most of his life. Fortunately for us, he is making and leading music at CJC! He joined the Klezmer band under Mike Kushner's leadership, and became the band leader. His humor, guidance, and *menschkeit* have helped produce a terrific group of musicians who play in great harmony. Steve's willingness to say yes and to volunteer the band are so appreciated. Thanks, Steve!
